RESULT NOTES

Cosmos Controlled Test Comparison

Use A-D to compare one change at a time

CONTROL RULE: Keep every row the same except the single variable you are testing.

VARIABLE	TEST A	TEST B	TEST C	TEST D
Test date				
Printer model				
Ink version				
Paper brand				
Media / paper setting				
Print quality				
ICC / color workflow				
Substrate				
Temperature				
Time				
Pressure				
Red swatch result				
Gray swatch result				
Black swatch result				
Other color result				
Pass / fail / notes				

BEST TEST / VERDICT

Best test: A / B / C / D

Variable that improved the result:
