

# Ready-to-Press Sublimation Transfer Order Checklist

Subli Genius Print

Use this before ordering printed sublimation transfers from a new or existing supplier.

## 1. BLANK + SIZE CHECK

- ☐ Blank is sold as sublimation-compatible
- ☐ Garment polyester percentage confirmed
- ☐ Blank color is light enough for standard sublimation
- ☐ Hard blank has a sublimation-ready coating
- ☐ Final transfer width confirmed
- ☐ Final transfer height confirmed

## 2. ARTWORK CHECK

- ☐ Artwork resolution checked at final print size
- ☐ Background / transparency requirement checked
- ☐ Supplier accepts the file type
- ☐ Mirroring policy checked before upload
- ☐ Copyright or commercial-use rights confirmed
- ☐ Special sizing notes added if needed

## 3. ORDER CHECK

- ☐ Quantity correct
- ☐ Transfer price confirmed
- ☐ Shipping cost checked
- ☐ Minimum order / minimum spend checked
- ☐ Production turnaround checked
- ☐ Rush or artwork-prep fees checked
- ☐ Press instructions saved
- ☐ Damage / reprint policy reviewed

## 4. QUICK VENDOR COMPARISON

| Check              | Vendor 1 | Vendor 2 | Vendor 3 |
|--------------------|----------|----------|----------|
| Transfer price     |          |          |          |
| Shipping           |          |          |          |
| Minimum order      |          |          |          |
| Turnaround         |          |          |          |
| Largest size       |          |          |          |
| Gang sheets        |          |          |          |
| Artwork help       |          |          |          |
| Replacement policy |          |          |          |

**Before pressing:** Follow the transfer supplier and blank manufacturer instructions. Change one variable at a time.
