SVG Bundle License & Quality Scorecard

PRINTABLE • ONE BUNDLE PER SHEET

Fill out this decision sheet for a real bundle, using purchase documentation and one sample cut. "Hold" means the question is not yet resolved. The blank fields are intentional: these details cannot be inferred from a marketing image or an advertised file count.

LAUNCH DECISION

Do not sell when commercial-use rights or Etsy eligibility are on hold. A clean cut and appealing price do not compensate for missing permission. Print the table as part of your bundle acquisition record and keep a copy of the exact license with the order.
